PASTEL COLORS

FLUOR

In this catalogue, the colours of the products have been reproduced as accurately as possible, within the limitations that printed materials may present. It is important to note that, due to continuous improvement processes and stock updates, slight colour variations may occur that are not reflected in this document.

Consequently, chromatic differences will not be considered valid grounds for complaint. MAKITO reserves the right to update or modify the colours of its products without prior notice and without this implying any discrepancies with what is shown here.
